Teresa Heesacker Counseling is committed to providing a counseling experience in which connection, value and encouragement foster restoration in one's sense of self and in life's most important relationships. While I am a child-centered Registered Play Therapist (RPT) with the Association for Play Therapy, I am seeking additional training based on SYNERGETIC PLAY THERAPY® Certification Training and Principles.

Client Consent to Record / Video Record Sessions

I give Teresa Heesacker, MA, CSD, LPC, LMFT, RPT permission to video/sound record my child (and if appropriate, me with my child) in play therapy sessions while the therapist named is becoming certified in Synergetic Play Therapy®. The dates of video/sound recordings are: 8/17/2021 through 8/17/2022.

The video/sound recordings will be used by this therapist during consultation sessions with an SPT Certification Consultant to support and track the learning and growth of the SPT therapist-in-training. Consultation may take place in a one-on-one or group format, in person or online. I understand that these video/sound recordings and the content of the sessions are confidential (unless there is a concern that the child may be in danger of being harmed).

I understand that I may withdraw my permission to have my child's play therapy sessions video/sound recorded with a written or spoken request. In no way will the refusal to grant consent for this video/sound recording affect my/our getting assistance for my/our child.

All video/sound recordings will be erased when self-evaluation and consultation is completed.
